## Learning Objectives

At the conclusion of the symposium, the participants will be able to:

- Discuss the risks, benefits and alternatives of newer treatment drugs and strategies for patients with solid tumors and common hematologic malignancies.
- Develop multidisciplinary treatment regimens and plans for the management of cancer patients.

## Target Audience

Medical, surgical and radiation oncologists; oncology pharmacists and nurses; general internists and family practitioners and any other interested health care professionals.

## Acknowledgment

The exhibitors supporting this symposium will be acknowledged in the syllabus.

## Accreditation

### Physicians

The Southern California Permanente Medical Group is accredited by the Institute for Medical Quality and the California Medical Association to provide continuing medical education for physicians. The Southern California Permanente Medical Group takes responsibility for the content, quality and scientific integrity of this activity.

The Southern California Permanente Medical Group designates this educational activity for a maximum of **6.75 hours** of Category 1 credit toward the California Medical Association's Certification in Continuing Medical Education and the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the education activity.

### Nurses and Physician Assistants

Attendees may report up to **6.75 hours** toward continuing education requirements for license renewal. 'CME' can be written in lieu of the provider number on all licensure renewal applications.

## Persons with Disabilities

If you need special assistance to participate in an educational activity offered by the Southern California Permanente Medical Group, please call the Department of Physician Education at 626-564-5338 or tie line 8-338-5338.

## For Further Information
