Department of Optometry  
Kaiser Permanente Medical Office  
Long Beach

## Needs Assessment

It is necessary to continually update our knowledge of the treatment of medical eye disease. It is equally important that we maintain our skills in prescribing for, and managing, our pediatric and contact lens patients.

## Learning Objectives

At the conclusion of this symposium, the participants will:

- Have a better understanding of current treatment modalities for various medical eye conditions.
- Be able to diagnose and treat more types of glaucoma.
- Be able to prescribe steroids appropriately.
- Be able to manage our pediatric patients with lenses and medications.
- Be able to identify and treat contact lens related conditions.

## Target Audience

Optometry, ophthalmology, opticians and any other interested healthcare professionals.

## Acknowledgments

Exhibitors participating in this symposium will be acknowledged in the program syllabus, which will be distributed to attendees at the meeting.

## Accreditation

### Optometrists

California State Board of Optometry CE approval pending.

No CME or BRN credit is being offered for this program

## Persons with Disabilities

To assist persons with disabilities, please contact Academic Affairs/Professional Education at 626-564-5338 or tie line 8-338-5338 to discuss any special requirements.

## Payments, Cancellations and Refunds

Check or credit card payment must accompany the completed form and be **postmarked by January 23, 2006 in order to confirm registration.** Make checks payable to **SCPMG**. Please send in registrations by **US Mail** to Southern California Permanente Medical Group, Physician Education, 100 S. Los Robles, Suite 101, Pasadena, CA 91188 **or** register on our **website: [www.kpsymposia.com](http://www.kpsymposia.com).**

## On-line Registration for this symposium will open November 2005.

If you cannot attend, please cancel by **January 23, 2006**. There will be no refunds after that date. Space is limited. Registrations will be taken on a first-come, first-served basis. Lunch is included for registered conference attendees.
